

CREATIVE INDUSTRIES - DANCE

ACADEMIC

Grade 11/12

Curriculum Guide

CREATIVE INDUSTRIES - DANCE

Prerequisite: None

Course Description:

This is a foundational course that introduces learners to the diverse nature of the creative industries, particularly the Dance industry. It aims to equip learners with the necessary knowledge to understand the creation, production, presentation, promotion, and consumption of creative outputs within the realm of Dance. Emphasis is placed on the relationships among participants in the creative sector, industry trends, relevant laws and regulations, and the economic and practical applications of dance skills in local and global contexts.

Elective: Academic

Time Allotment: 80 hours for one term

Content Standard:

- The learners demonstrate understanding of the creative industries' related laws and regulations, practices, applications, and ethical considerations; the elements, materials, and techniques of dance; and the proper use of space, body, and facilities in production processes within the local and global contexts of Dance.

Performance Standard:

- The learners execute Dance techniques, skills, and proper use of space and facilities in mounting a creative work based on the mapped creative industries in their specific communities, as defined by relevant laws within local and global contexts

LEARNING COMPETENCIES	CONTENT
<i>The learners...</i> 1. explain the historical development of dance within the Philippine creative industries and its impact on Philippine	I. Overview of Dance in the Philippine Creative Industries A. Historical Development of Dance in the Philippines 1. Pre-colonial period 2. Colonial period

LEARNING COMPETENCIES	CONTENT
society and everyday cultural practices;	3. Post-colonial and contemporary development 4. Dance within the Philippine Creative Industries B. Local and Global Cases and Situations 1. Practices, applications, and ethical considerations 2. Intercultural sensitivity 3. Dance and its impact on society and everyday cultural practices • Dance and community identity • Dance in festivals and cultural celebrations • Dance for wellness and physical health • Dance for cultural preservation • Dance as social expression C. The Dance Workforce as Creative Enablers
2. analyze the relevance and implications of creative industry laws and legal frameworks for dance production and choreographic ownership;	II. Policies and Laws Governing Creative Industries A. Philippine Creative Industries Act (Republic Act No. 11904) 1. Creative Industry Domains Relevant to Dance: • Performing Arts Domain • Audiovisual Media Domain • Digital Interactive Media Domain • Creative Services Domain • Traditional Cultural Expressions Domain B. World Intellectual Property Organization (WIPO) C. Intellectual Property Office of the Philippines (IPOPHIL) D. Intellectual Property Rights (RA8293) as applied to choreography and performance 1. Copyrights and moral rights

LEARNING COMPETENCIES	CONTENT
	2. Licensing and performance rights C. Real-world intellectual property issues in dance 1. Choreographic ownership 2. Fair use and Creative Commons licensing 3. Plagiarism and infringement 4. Generative artificial intelligence (AI) and choreography 5. Contracts in dance production 6. Cultural intellectual property 7. Music licensing for dance 8. Documentation of Choreography E. Department of Economy, Planning and Development (DepDev) and RA 11904 Implementation in relation to Dance F. Alignment with the Philippine Development Plan (PDP)
3. develop an industry map illustrating the roles, relationships, and interdependencies of key stakeholders in the dance sector;	III. Industry Mapping A. Process of industry mapping 1. Identify the industry sector 2. Identifying key stakeholders 3. Categorizing roles and functions 4. Analyzing relationships and collaborations 5. Presenting the industry structure through charts or diagrams B. Key players in the dance industry (e.g., choreographer, dancer, artistic director, producer, technical director, stage manager, critic, presenter, festival organizer)

LEARNING COMPETENCIES	CONTENT
	C. Roles, responsibilities, and corresponding rights of dance artists and creatives
4. analyze how the elements of artistic expression interact and contribute to the overall impact of a dance performance;	Elements of Artistic Expression in Dance A. Elements of Dance: Body, Energy, Space, Time B. Choreographic principles and composition C. Organic unity in Dance 1. Content 2. Form 3. Audience Reception
5. examine potential safety hazards and risks associated with dance practices and processes and evaluate the effectiveness of safety protocols; and	IV. Safety Protocols and Procedures in Dance A. Physical factors in the work environment (e.g., flooring, lighting, ventilation) B. Body conditioning and injury prevention C. Risk assessment and management in rehearsals and performances D. Workspace safety and hazard control E. Proper care and use of equipment and facilities F. Dancer health, body maintenance, and ergonomics <i>NOTE: This topic/content can be included in the apprenticeship courses.</i>
6. create dance studies that integrate elements, skills, and techniques while demonstrating originality and artistic expression.	V. Artistic Expression in Dance A. Dance Fundamentals and Styles 1. Philippine Dance Traditions • Indigenous dances • Regional folk dances 2. Hispanic and American Influences on Philippine Dance 3. Transformations in Philippine Dance

LEARNING COMPETENCIES	CONTENT
	• Contemporary forms • Festival dance expression and production • Contemporary Filipino dance companies B. Movement Vocabulary and Technique Development C. Choreographic Processes D. Rehearsal and Staging E. Performance Criteria and Evaluation

GLOSSARY

<i>Artistic expression</i>	the act of conveying ideas, emotions, perspectives, and experiences through various art forms
<i>Audiovisual Media Domain</i>	Refers to recorded and live audio or audiovisual content distributed through broadcast or digital platforms (e.g., television, radio, streaming, cinema). It includes films, TV programs, animation, vlogs, motion graphics, recorded music, podcasts, and educational or entertainment audiovisual content.
<i>Collaboration (Arts)</i>	the creation of an artwork or project through the collective efforts of multiple artists
<i>Copyrights and Moral Rights</i>	rights that protect creators by giving them control over the use of their works and ensuring they are properly recognized as the authors.
<i>Creative Industry</i>	refers to the trades involving persons, whether natural or juridical, that produce cultural, artistic, and innovative goods and services originating in human creativity, skill, and talent and having a potential to create wealth and livelihood through the generation and utilization of intellectual property. Creative industries include those directly or indirectly involved in the creation, production and manufacturing, performance, broadcasting, communication and exhibition, or distribution and sale of works and other

subject matter, in accordance with existing laws, rules and regulations on intellectual property rights protection (Republic Act 11904)

Creative Services Domain

Refers to demand-driven, commercial creative services performed for clients, either as complete outputs or outsourced tasks. This includes advertising, marketing, creative R&D, cultural and recreational services, and live creative experiences, supported by technical and management services.

Creative work

original products of human imagination and skill, typically in the fields of art, literature, music, or design, that express unique ideas and are protected by intellectual property laws such as copyright

Digital Interactive Media Domain

Refers to digital software programs, applications, and games designed for interactive digital devices where user input is essential. Examples include video games, mobile apps, computer games, and virtual, augmented, or mixed reality content.

Intellectual property (IP)

creations of the mind such as inventions, literary and artistic works, designs, symbols, names, and images used in commerce

Industry Mapping

a systematic process of identifying and analyzing the key stakeholders, roles, relationships, networks, and structures within an industry to understand how its various sectors and participants interact and contribute to its development.

Licensing and Performance Rights

permissions that allow individuals or organizations to legally use, perform, or present a copyrighted work according to agreed conditions.

Mounting

the process of preparing and presenting a creative work or production

Patent

the legal right granted to inventors that allows them to make, use, sell, or distribute their invention exclusively for a specified period of time.

Performing Arts Domain

Refers to all activities involved in the training of performers and the creation, promotion, distribution, exhibition, and preservation of artistic performances. This includes art forms such as live music, theatre, musical theatre, dance, opera, circus, spoken word, and puppetry.

Traditional Cultural Expressions Domain

Refers to both tangible and intangible expressions of traditional Filipino culture and heritage. This includes arts and crafts, gastronomy and culinary practices, cultural festivals, rituals, and other traditional customs and practices.
