

ARTS APPRENTICESHIP (VISUAL ARTS)

ACADEMIC

Grade 12

Curriculum Guide

ARTS APPRENTICESHIP

(Visual Arts)

***Pre-requisites: Filipino Identity Through the Arts, Leadership and Management in the Arts,
Art Criticism and Creative Markets***

Course Description:

The elective subject offers an intensive period of acquiring, understanding, and developing proficiency in visual arts through hands-on training in available art organizations, art centers, production houses, independent artists/designers, and community-based art or cultural groups. It intends to enrich the learner's knowledge and skills in visual art production with a focus on artistic development, cultural appreciation, professional practice, and work ethics. Through apprenticeship and guided artistic practice, learners develop creativity and technical proficiency in preparation for real-world applications in the creative arts industry.

Elective: Academic

Time Allotment: 160 hours for one term

Content Standard:

- The learners demonstrate understanding of visual art production processes, professional practices, ethical standards, and industry engagement through apprenticeship experiences in visual arts within creative industry settings.

Performance Standard:

- The learners demonstrate proficiency and professionalism in visual arts production through apprenticeship activities and portfolio documentation that reflect artistic, cultural, and ethical practices within the context of the visual arts industry.

4. demonstrate proficiency and professionalism during visual arts apprenticeship; and	VII. Apprenticeship Proper Note: Use a task log sheet to document daily activities signed by the immediate supervisor.
5. synthesize apprenticeship experiences through creative documentation.	VIII. Portfolio Development

GLOSSARY:

Arts Apprenticeship – A system of training in which an aspiring artist learns and develops artistic skills under the guidance of a master artist or experienced practitioner.

Art Curation – The process of selecting, organizing, and presenting artworks to create a cohesive and meaningful experience for viewers. It involves developing narratives, encouraging interpretation, and enhancing audience engagement through the arrangement and presentation of artworks. (<https://eclecticgallery.co.uk/news/245-the-art-of-curation-creating-meaningful-and-cohesive-cultivating-artistry-the-transformative-role-of-curation/>)

Visual Arts – A category of artistic works and processes that are primarily visual in nature, including drawing, painting, sculpture, ceramics, weaving, digital arts, media arts, and related forms. (MATATAG Music and Arts CG)
